Dear Parent,

Thank you for contacting us with a view to your child attending our Preschool.

I have enclosed an information sheet for your interest.

Our Preschool is for children from the term after their second birthday until they enter nursery school.

Our main intake is in September but younger children can start in January if parents prefer.

Please fill in the registration form below and return to Heather Nash by post or email. We will allocate places according to our admissions policy; children living in Tring will be given priority and the date of receipt of the form may also be taken into account so early registration is recommended. We will contact you 6 - 9 months prior to your child's expected start date to confirm that you still require a place and explain our admission arrangements.

Yours sincerely

Heather Nash
